

Lesson #7

FIX YOUR EYES

All those who want to live their lives for God want their lives to be fruitful. We hope and pray for this fruit to be evident in our lives.

Instead of seeking more fruit, the better way is to seek more of Him.

What we really need is more JESUS in US.

All the fruits are an important part in being like Jesus, but the more we fix our eyes on Jesus and look to Him, the more we will be like Him who is the author and perfecter of our faith, and the more fruit we will see in our lives.

God's plan for us is not to just improve us and make us a better version of ourselves. His plan is to INHABIT us and live His life in us and through us.

Believe it or not, you are the means by which God displays His character in this world. If we don't display Him, He won't be seen.

Do you lack fruit? Then you lack Him.

Don't just ask for or seek more fruit. Ask for and seek more of Him.

Memory verse:

Fix your eyes on Jesus, the author and perfecter of our faith.
