

WEEK #2 /GAME #2

A PEACE of the puzzle

During the 2016 FFB season one of the Championship games ended anything but PEACE fully. Back to back big plays and questionable calls created quite a stir and unsettled players, coaches and parents.

It came to the point where the peace of Christ that should rule in our hearts and determines our words and actions was nowhere to be found. Peace had left the house! The Greater purpose was overcome by the desire to win @ all costs.

Paul said we are to let the PEACE of Christ rule in our hearts. He doesn't say PEACE is simply to exist in our hearts. Not on occasion or once in a while. He says it is to rule.

Take the Test:

Are you in conflict with others often? It's likely a reflection of the condition of your heart. Maybe it's not the other guy, Maybe it's you?

Ask God to still your troubled waters.

Let Jesus rule in the deepest corners of who you are.

Know the depths of PEACE and C the FRUIT

Memory verse:

Let the PEACE of Christ rule in your hearts
